

## ‘THE RIVER OF TREASURES’ : THE LARGEST WHITE AND GOLD SCULPTURE BY YU JORDY FU

- Jul 31st, 2016

HER FIRST COLOR WITH “GOLD”, SPECIALLY CREATED FOR RIVER CITY BANGKOK TITLED “THE RIVER OF TREASURES” BY “YU JORDY FU”, THE GENIUS ARTIST AND THE WORLD’S RENOWNED DESIGNER AND ARCHITECT.

This art object, so fluid yet robust, has been created using huge pieces of metal with exquisite design starting from sketching through to carving with laser cutting technology. It then was bended into desired shape by hands to reveal the hidden story behind this extraordinary creation. Each piece would be assembled into boats one by one by a team of professional artists. Thereafter these 40 gorgeous art pieces would be artistically arranged with such precision until it resembles the flow of river. As the story goes, it's the beginning of civilization that has brought with it many treasures, valuables, and prosperity to mankind.

“THE RIVER OF TREASURES” is the sculpture that narrates by the surreal art form utilizing techniques the combine the art of traditional paper cutting by Chinese with advance laser cutting technology to create new patterns designed by Yu Jordy Fu. The exhibition is on now at River City Bangkok. In addition, you'll also be treated with new exhibition featuring the latest concept by Yu Jordy Fu throughout the month of August.

*“Yu Jordy Fu”, the multi talented artist is a designer, an architect, and a product designer for home decorative. She’s also the world’s renowned painter and sculptor who has been officially invited by Chinese government to hold an art exhibition in Beijing Capital Museum since the age of 6.*
